Re: Year-end Report (10/01/2013 ? 12/31/2013)

Dear Ms. Sugarman:

This letter serves as explanation to the three requests for additional information we received on April 1, 2014.

1.The \$1,000.00 contribution that the campaign received from Independence Blue Cross PAC was accepted in error. I was not aware that IBCPAC and BLUEPAC were affiliated Committees. After conferring with an IBCPAC representative, I was able to verify that BLUEPAC and IBCPAC are still affiliated committees, and the contribution was made in error. We will be refunding \$1,000.00 to IBCPAC. This will appear in our next quarterly report.

2.The apparent excessive contribution to Hughes for Congress was a data entry error. Our campaign contributed \$2,000.00 for the 2014 primary election. I have amended our Year-End Report to reflect the correct amount. The recipient committee correctly reported our contribution.

3.All contributions received by this committee for the 2014 general election were held in our accounts and not used to pay primary election expenses. The committee is refunding all of the general election contributions immediately. These refunds will be reflected in the next Quarterly Report. I will provide photocopies of the refund checks to you at the above address.

Thank you for bringing these errors to my attention so that I could make the necessary corrections and provide the most accurate information to the FEC for the public record. I have submitted an amended Year-End Report to the FEC. If you have any further questions, or require any additional information, please do not hesitate to contact me.

Very truly yours,

/s/Robyn A. D. Ferdinand
